The Center for HEALTH, PHYSICAL EDUCATION & ATHLETICS

More than a half century of cheers, tears, and memories are embedded in the venerable old walls of Memorial Gymnasium. But to attract today's finest student-athletes, and to support the college's expanding needs in physical education, fitness, recreation and intercollegiate sports, Davis & Elkins College needs a facility more equal to the task. The new Center for Health, Physical Education and Athletics will provide a vibrant new arena for athletic competition and recreational sports and will house a walking/jogging track, training facilities, practice space, locker rooms and offices for faculty members and coaches. The Athletic Hall of Fame, located in the lobby, will provide a beautiful and highly visible

space to display trophies, historic displays, and plaques recognizing Hall of Fame members. An interactive computer kiosk will enable visitors to view team photographs, statistics, and other historic information.

With more than \$4 million raised for this \$5.5 million project, Phase I construction began in June and was completed in early 2006. Since the close of the Centennial Campaign in October, an additional \$400,000 has been raised to fund Phase II construction, which will commence as soon as the remaining funding is secured.

JAMES S. McDONNELL AND THE J.S.M. CHARITABLE TRUST

In recognition of their lead gift of \$3 million, the new Center will be named for James S. McDonnell, a trustee of Davis & Elkins College, and the J.S.M. Charitable Trust.

JOHN AND JOYCE ALLEN

With gifts totaling \$250,000, John and Joyce Allen have provided funding for the striking new lobby, which will house the Athletic Hall of Fame.

CITIZENS NATIONAL BANK

In recognition of its gift of \$150,000, the arena scoreboard will bear the name of Citizens National Bank.

JOE AND ANNABEL TIMMS

Joe and Annabel Timms have chosen to honor the memory of Annabel's mother, Mary Jane Payton Phillips, a pioneer in women's athletics, with a gift of \$125,000 to fund the women's multi-sport locker room.

JOHN HARLING

John Harling, an alumnus and member of the men's basketball team during the 1950s, has made a gift of \$120,000.

WENDELL AND JUDY CRAMER

Through a combination of a cash gift and an in-kind contribution of wood for the arena floor, Wendell and Judy Cramer have made a gift worth more than \$100,000.

JUNE MYLES AND THE MYLES FAMILY FOUNDATION

Through a combination of personal gifts and gifts through her family foundation, June Myles has given \$100,000 to fund the walking and jogging track.

FRIENDS OF SENATOR SOCCER

Friends of Senator Soccer, an organization of Davis & Elkins alumni soccer players, has pledged to raise \$100,000 to fund the athletic training suite.
